## Autumn Term in Year 5 (2017)

## Science

Explore changes in humans as they  
develop to old age, looking at what  
happens to our skeleton and whether  
people grow at the same speed.

## History

The Viking and Anglo-Saxon struggle  
for the kingdom of England

## Computing

Computer Programming:

Design games using the programme  
Scratch: Slug Trail and Crab Maze

## English

We will be looking at a variety of texts  
throughout this term that include:  
Classic Fiction, Recounts, Poetry,  
Biographies, Explanations and  
Instructions.

The children will be focussing upon  
using a range grammatical features to  
improve our writing and they will making  
observations about techniques used by  
authors.

## Design & Technology

Explore Viking armour, its  
function and materials, before  
designing their own

## French

Understand and use the  
vocabulary of time and weather.
