

Y3 Ocarina Lessons

7<sup>th</sup> September 2018

Dear Year 3 Parents/Carers,

In Year 3 children learn to play the 4 hole ocarina. With this instrument there is no complex blowing method, no setting up or tuning required; each note is equally easy to play.

Your child will be provided with an ocarina to use and lessons will be taught in school time on Fridays. Your support and co-operation in helping your child to remember his/her instrument every week will be essential in order for lessons to run smoothly. For children to progress and enjoy learning the ocarina, it is hoped that you will be able to encourage your child to practise for a few minutes 3-4 times a week.

The school has covered the cost of these instruments (one ocarina costs £10), so please could you ensure they are looked after carefully and returned at the end of the year in good condition. I hope you will appreciate that lost or damaged ocarinas will have to be paid for.

I would be most grateful if you could return the signed agreement below to myself as soon as possible.

Thank you for your support.

Mrs Latham

.....  
**Please sign and return this slip to Mrs Latham**

I will make sure the ocarina is returned to school at the end of the year.

I agree to pay the school if my child's ocarina is lost or damaged.
